

English

Reading - All children will engage with quality literature and poetry which tell different stories from unique people. All children will explore a diverse range of academic text with a focus on acquiring a deep and word rich vocabulary. We will use VIPERS for our comprehension skills.

Writing - Our focus book is LOB by Linda Newbery. All children will experience texts that reflect cultural, social and linguistic diversity, as well as introducing a world beyond the familiar. Focussed learning will be the foundation of every lesson with an emphasis on knowledge and skills that are spaced, progressive and revisited.

RE

During RE lessons, we will be identifying what beliefs are. Identify how what challenges are faced by people based on their beliefs and how to overcome these challenges. Identify meaning from quotes and restate them in our own words. Comparing and contrasting people with different beliefs. We will be focusing on the religion Hinduism.

PE

Over the term we will be focussing on two topics in PE. In Outdoor PE the children will be learning object control in Rounders and Athletics. In indoor P.E, we will be continuing to focus on Fitness and Dance. Please ensure your child wears their PE kit to school on their PE days.

PE will take place on:

- Cypress – Tuesday (Outdoor) and Thursday (Outdoor)
- Laurel - Wednesday (Outdoor) and Tuesday (Indoor)
- Rowan – Thursday (Outdoor) and Monday (Indoor)

Year 4 – Summer Term

Theme: Building an Inclusive World and Showasis

Key dates

Summer Term One:

- Showasis Events
- Sports day (Date TBD)

PSHE

In PSHE, pupils will be learning about relationships. More details of these lessons will be shared with you in due course.

Maths

In our maths lessons over this term, we will be learning the following topics:

- Decimals
- Money
- Time
- Shape
- Statistics
- Position and Direction
- Arithmetic (Every Friday)

Please ensure your child continues to practise basic number bonds and all their timetables up to 12, as these are the fundamental building blocks to maths.

Geography and History

In Geography our topic is building an inclusive world we will be learning about volcanoes and earthquakes. We will then be investigating traffic in our local area.

In History we will be learning about civil rights movements, and then about the Tudors.

Science

Our Science topics in the summer term are:

Summer Term One: Living Things

Summer Term Two: Electricity.
